ABOUT US

THE BLACK ELEPHANT CONSTRUCTION was established in 2019 with the purpose of providing outstanding solutions and specialized services to the Saudi Arabian construction sector. We take pride in our attention to detail, and our main difference is the quality of our delivery and going above and beyond to satisfy our clients. Bringing global standards to the local market and implementing a new level of merit in everything we touch, we place a strong emphasis on incorporating newest solutions into our methods and fully adapting to the market's new demands, all while maintaining our key values and elevating contracting ethics.

COMPANY PROFILE

MISSION

To continue being the trusted construction company to all our clients in Saudi Arabia through innovative and sustainable construction solutions, skilled workforce development, and unmatched client service. While building high-quality, sustainable structures that enhance the lives in our communities.

VISION

To contribute to the transformation of the built environment in the Kingdom of Saudi Arabia and be recognized as one of the nation's top contractors by 2030.

VALUES

Quality: We are committed to delivering superior craftsmanship and exceptional results.

Integrity: We conduct business based on honesty, transparency, and accountability.

Collaboration: We foster a collaborative work environment that values teamwork and open communication between all parties within our company and in every project.

Safety: We prioritize the safety of our employees, clients, and the public.

Client Focus: We are passionate about fulfilling the vision and goals of our clients through a hands-on partnership dynamic.

Pride: We take pride in the lego pieces we create the Kingdom and the role we play in shaping communities across Saudi Arabia.

COMPANY PROFILE

JEDDAH CORNICHE CIRCUIT - FORMULA 1 PROMENADE

We were part of a landmark project, building the Jeddah Corniche Circuit Promenade at breakneck speed. This granite and basalt walkway placed visitors front and center along the Red Sea, mere steps from the F1 racetrack

COMPANY PROFILE

JEDDAH ISLAMIC PORT - CONCRETE WORKS

Our expertise extends beyond traditional construction. At Jeddah Islamic Port, a key driver of Saudi Arabia's maritime trade, we played a critical role in facilitating future expansion. Our team delivered a high-quality concrete slab-on-grade project to create a solid foundation for the construction of new berths.

COMPANY PROFILE

NATIONAL WATER COMPANY - HADDA FENCING WORK

Our commitment to safety and security extends to vital infrastructure projects. At the National Water Company's Hadda Water Treatment Plant, we successfully installed a new perimeter fence system. This project ensured a secure environment for the critical operations that provide clean water to the community.

COMPANY PROFILE

HARDSCAPING WORKS AT TAHLIA STREET INTERSECTION WITH MADINA ROAD

We were at the forefront of urban design innovation with the transformation of the Tahlia Street and Madina Road junction. This project marked a historic first for Jeddah, incorporating multicolored paving to create eye-catching patterns. Integrated LED cove lighting bathed custom planter boxes in a warm glow, cultivating a welcoming ambiance for residents and visitors. This wasn't just a construction project; it was the illumination of a new Jeddah streetscape.

COMPANY PROFILE

HARDSCAPING WORKS - HAMDANIA STREET

We paved the way for a healthy lifestyle in Jeddah's new district! Our curb and paving works transformed the area, creating not just streets but a vibrant walking track for residents to enjoy.

COMPANY PROFILE

CONTROL BUILDING FINISHING WORKS AT SOUTH OBHUR WATERFRONT DEVELOPMENT PROJECT

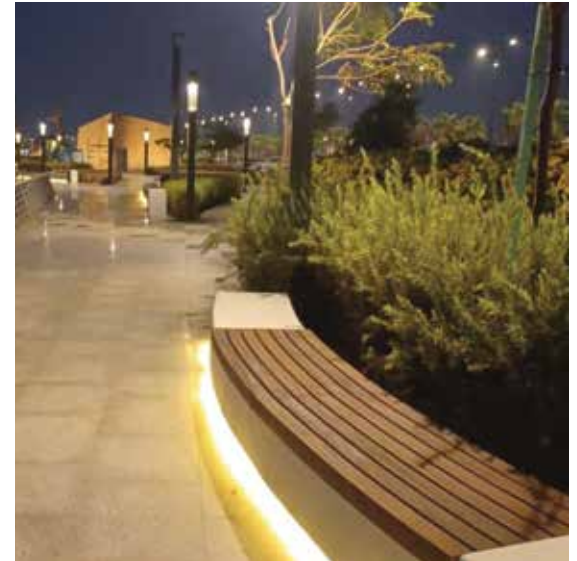

We brought the beauty of the Red Sea indoors! Our interior finishes transformed the new Jeddah Corniche's control building and public washrooms, creating a nautical experience that echoes the nearby fish monument. Imagine stepping into a wave-inspired space that complements the iconic landmark.

CURB & PAVING WORKS AT SOUTH OBHUR WATERFRONT DEVELOPMENT PROJECT

We paved paradise! Our curb and paving works on the new Jeddah Corniche created dedicated bicycle lanes and walking tracks beside the iconic Fish Monument. Now visitors can pedal, stroll, and soak in the fresh Red Sea air and breathtaking views.

GRANITE WALKWAYS AT SOUTH OBHUR WATERFRONT DEVELOPMENT PROJECT

We paved the way for Jeddah's hottest new attraction! Our granite promenade with its intriguing simplicity transformed the New Jeddah Corniche beside the iconic Fish Monument. Now, as the Red Sea breeze cools and the sun dips low, visitors flock to this seaside masterpiece to stroll, sightsee, and soak in the sunset symphony.

CONCRETE & MOSAIC WORKS AT THE ROYAL TERMINAL ENTRANCE - KING ABDULAZIZ INTERNATIONAL AIRPORT

We transformed the entrance to Jeddah International Airport's Royal Terminal into a desert mirage! Concrete flooring and colorful glass mosaics created a stunning illusion of a desert oasis complete with sand and water. Imagine arriving and being astounded by this artistic marvel welcoming you to the terminal.

CONSTRUCTION OF EXECUTIVE MEETING ROOM

Meeting room for the General Manager of Jeddah Port, featuring frosted glass panels for privacy and a modern aesthetic. This space provides the ideal environment for productive collaboration.

COMPANY PROFILE

MOBILIZATION & PERIMETER SECURITY AT ROSHN MARAFY

At ROSHN Marafy, a visionary development transforming Jeddah's skyline, we're not just building – we're building the foundation for a thriving community. Our comprehensive contributions encompass a staggering 7-kilometer perimeter fence, safeguarding this grand project throughout its construction. But our role goes beyond security.

We're crafting the heart of the development with the creation of functional and modern site offices and welfare facilities. These serve as the nerve center for the talented individuals shaping ROSHN Marafy into reality, ensuring their comfort and productivity. Furthermore, we're constructing a network of vital access roads and parking areas, establishing the infrastructure for seamless movement within the project.

This isn't just a construction project – it's a city within a city taking shape. Our diverse contributions pave the way for a secure, well-equipped, and efficiently accessible ROSHN Marafy, ready to flourish upon completion.
